

As one of our most valued customers, Jack Hunt Coin Broker Inc. is pleased to introduce ***Rapid Express***. Rapid Express is our way of offering our best customers the most efficient and least expensive means to trade with Jack Hunt Coin Broker Inc.

Why choose ***Rapid Express***?

- **Shipping Expense** – Jack Hunt Coin Broker Inc. will cover a significant portion of our Rapid Express customers' shipping cost. In addition, Rapid Express customers will be able to ship to us using our USPS, FedEx or UPS accounts.
- **Shipping Insurance** – Jack Hunt Coin Broker Inc. will insure packages shipped to us. Rapid Express customers will no longer have to hold or obtain their own shipping insurance when dealing with us.
- **Shipping Materials** – Our Rapid Express customers will receive for free our distinct blue Rapid Express boxes along with pre-addressed shipping labels, shipping zip ties and poly bags for use with their orders.

All of the above benefits are available for a mere \$45 per shipment. For an additional \$12, we can also wire or overnight your choice of advance or settlement payment.

Customer Requirements:

To qualify for Rapid Express, customers need to submit a signed Rapid Express agreement. This agreement outlines the steps necessary for Jack Hunt Coin Broker Inc. to cover your shipping and insurance costs.

1. Gold and Platinum can be shipped together. Silver must be shipped separately.
2. Maximum value of Gold/Platinum packages cannot exceed \$150K per package, \$75K for silver.
3. Complete a very short shipping form at jackhunt.com outlining order and corresponding tracking information.

To sign up for Rapid Express or request additional information, contact our Trading Department at 1-800-877-7424.

Thank you for your interest in Rapid Express. We appreciate your business!

Regards,

Scott Hunt President

- Zip Ties

Packaging Your Material:

1

- Place material into a supplied heavy duty plastic bag and close with a zip tie. This keeps material from shifting during shipping.
- Make sure material is **separated by category** to ensure faster processing and payment.

2

- Place bag(s) into the **Smaller Inside Box**.
- **Make sure material is packed tightly** with bubble wrap or other lightweight packing material to avoid shifting during shipping.
- **Include a detailed invoice inside the package.** This helps to expedite your package once it arrives for processing.
- Securely seal the inside box with shipping tape.

Rapid Express Shipping Instructions

3

- Place the **Smaller Inside Box** into the **Larger Outside Box** and seal with shipping tape.
- Packages must be packed using this **Box-Inside-a-Box** method to meet insurance requirements.
- Be sure package is taped securely to avoid breaking open during transit.
- We recommend completely covering all box seams with packing tape.
